

# MY GAME PLAN

Your Doctor can help answer all your questions and decide if NUBEQA<sup>®</sup> is right for you. Use the list below to get the conversation started at your next appointment.

- How is NUBEQA different from other treatments?
- Are there tests that I should take?
- What kind of results can I expect from NUBEQA?
- What are the possible side effects of NUBEQA?
- Will NUBEQA interact with my other medications?
- Does NUBEQA have a patient support program?
- When should I start taking NUBEQA?
